

Dear Parents,

This year Roland Park Elementary School will have a yearbook. If sales go well and the interest is there, the RPE Yearbook could become an annual tradition. The book will be a soft cover book containing many pages of pictures. Another great feature will be that all pictures in the book will be in FULL COLOR! The book is being published by Galeone and will include every student's individual picture and many pictures of different activities that take place at Roland Park. It will make a great memory book for the year.

We hope that everyone will take the opportunity to purchase this book. We are very excited to be able to offer this type of a book exclusively for Roland Park Elementary School students. **The cost of the book is \$17 dollars after February 3rd. Payments are due by May 1st.**

Personal Ads: The personal ads are limited to 20 words or less and will be edited to fit that space. Personal ad prices are as follows: \$3 per ad, 2 ads for \$5, 3 ads for \$8, and 4 ads for \$10. **Orders with personal ads are due February 24th.**

Ex.: John Smith – Congratulations! We love you! Mom and Dad

The yearbook team appreciates receiving photos from parents who attend classroom parties, field trips, and other school events. The yearbook will be created digitally, so photos must be submitted to Melanie Carter at MSCarter@bcps.k12.md.us. You can also drop discs of photos off in Melanie Carter's mailbox located in the main office.

Please make checks payable to Roland Park Elementary School.
